

CONGRATULATIONS!

Join a network of more than 2 million high-achieving members from over 400 universities around the world. Your outstanding academic results make you eligible to join the world's largest academic honour society. An honour society is an organisation that recognises excellence among peers.

WHO IS GOLDEN KEY?

Golden Key is a not-for-profit with operations throughout the Asia-Pacific region, North America and South Africa. Our mission is to enable members to realise their potential through the advancement of academics, leadership and service.

HOW DO I QUALIFY?

An offer of membership is made exclusively based on your academic achievement. The invitation is facilitated by your university, and is only available to students who place in the top 15% of their studies in the previous 12 months (or equivalent).

COMMUNITY SERVICE OPPORTUNITIES

SPARK a Change: Global community service initiative focusing on youth literacy, education and real-world preparedness.
 SPARK Abroad: Give back to remote overseas communities.

"Through Golden Key I have developed a network of like-minded colleagues from around the globe and been involved in community service projects within following the masses. It provided opportunities for both my university and the broader community. My personal growth and to recognise my talents and involvement in Golden Key has shaped my values, abilities. When applying for Graduate roles that were career choices and the way in which I now practice as a doctor."

DR JEFFREY LAI
 The Australian National University Graduate

"Golden Key provided me with the confidence and desire to make my own way, rather than simply following the masses. It provided opportunities for both my university and the broader community. My personal growth and to recognise my talents and involvement in Golden Key has shaped my values, abilities. When applying for Graduate roles that were career choices and the way in which I now practice as a doctor."

SHADE ZAHRAI
 Macquarie University Graduate

"Golden Key has always been a fantastic thing to have on my resume. It is a recognised seal of approval that can give you an edge over other candidates."

CHRIS VERAA
 Griffith University Graduate
